S.R.O. 20 OF 2016

**ANTI-MONEY LAUNDERING AND TERRORIST FINANCING
CODE 2016**

**THE ANTI-MONEY LAUNDERING AND TERRORIST
FINANCING CODE 2016 MADE BY THE FINANCIAL SERVICES
COMMISSION AFTER CONSULTATION WITH THE
GOVERNOR UNDER SECTION 183(1) OF THE PROCEEDS OF
CRIME ACT (CAP.4.04).**

PART 1—PRELIMINARY

1. Citation

This Code may be cited as the Anti-money Laundering and Terrorist Financing Code 2016.

2. Interpretation

(1) In this Code—

“**Act**” means the Proceeds of Crime Act, (Cap.4.04);

“**AML**” means anti-money laundering;

“**AML-CFT Regulations**” means the Anti-money Laundering and Terrorist Financing Regulations, (Cap.4.04).

“**board**” means—

(a) in relation to a corporate body, the board of directors, committee of management or other governing authority of the corporate body, by whatever name

Montserrat
Anti-money Laundering and Terrorist Financing Code 2016
S.R.O. 20 of 2016

called or, if the corporate body only has one director, that director;

- (b) in relation to a partnership, the partners, or in the case of a limited partnership, the general partners; or
- (c) in relation to any other organisation or undertaking, the persons fulfilling functions equivalent to the functions of the directors of a company;

“CFT” means combating terrorist financing;

“director”, in relation to a legal entity, means a person appointed to direct the affairs of the legal entity and includes—

- (a) a person who is a member of the governing body of the legal entity; and
- (b) a person who, in relation to the legal entity, occupies the position of director, by whatever name called;

“financial institution” has the same meaning assigned to it under the Financial Services Commission Act, (Cap.11.02);

“foundation council” means the governing body of a foundation.

“legal entity” includes a company, a foundation, a partnership, whether limited or general, an association or an unincorporated body of persons, but does not include a trust;

“licensed bank” means a bank holding a licence under the Banking Act (Cap. 11.03) or the International Banking and Trust Companies Act, (Cap. 11.04);

“terrorist financing legislation” means—

- (a) the Anti-terrorist Financing Order;
- (b) the Terrorist Asset-Freezing etc. Act 2010 (Overseas Territories) Order 2011; and

Montserrat
Anti-money Laundering and Terrorist Financing Code 2016
S.R.O. 20 of 2016

(c) the Al-Qa'ida (United Nations Measures) (Overseas Territories) Order 2012.

- (2) A word or phrase defined in the Act or the AML-CFT Regulations has, unless the context otherwise requires, the same meaning in this Code.

3. Scope of Code and Guidance

- (1) This Code applies, to the extent specified, to—
- (a) service providers within the meaning of the AML-CFT Regulations; and
 - (b) directors and boards of service providers.
- (2) The guidance provided for any rule of this Code is not part of this Code but is Guidance issued under section 183(7) of the Act.

PART 2—POLICIES, PROCEDURES, SYSTEMS AND CONTROLS

4. Risk assessment

- (1) A service provider must carry out and document a risk assessment for the purpose of—
- (a) assessing the money laundering and terrorist financing risks that it faces;
 - (b) determining how to best manage the risks; and
 - (c) designing, establishing, maintaining and implementing AML or CFT policies, systems and controls that—
 - (i) comply with the AML-CFT Regulations and this Code; and
 - (ii) are appropriate for the risks that it faces.
- (2) A risk assessment carried out under subparagraph (1) must take particular account of—
- (a) the service provider's organisational structure, including the extent to which it outsources activities;

Montserrat
Anti-money Laundering and Terrorist Financing Code 2016
S.R.O. 20 of 2016

- (b)* the service provider's customers;
 - (c)* the countries with which the service provider's customers are connected;
 - (d)* the service provider's products and services; and
 - (e)* how the service provider delivers its products and services.
- (3) A service provider must review and update a risk assessment if there is a material change to a matter specified in sub-rule (2).

5. Responsibilities of board

- (1) The board of a service provider shall—
 - (a)* identify and manage a money laundering and terrorist financing risk faced by the service provider;
 - (b)* ensure that adequate resources are devoted to AML or CFT efforts; and
 - (c)* ensure that the service provider complies with its obligations under the Act, the AML-CFT Regulations and this Code.
- (2) Without limiting sub- rule (1), the board of a service provider shall—
 - (a)* undertake the risk assessment required under rule 4;
 - (b)* on the basis of the risk assessment, establish documented policies to prevent money laundering and terrorist financing;
 - (c)* ensure that—
 - (i)* appropriate and effective AML or CFT policies, systems and controls are established, documented and implemented by the service provider; and
 - (ii)* AML or CFT responsibilities are clearly and appropriately apportioned to the staff of the service provider; and

Montserrat

S.R.O. 20 of 2016

(d) assess the effectiveness of and compliance with the policies, systems and controls established by the service provider and promptly take action as is required to remedy a deficiency.

6. Policies, systems and controls

(1) Without limiting regulation 12 of the AML-CFT Regulations, the policies, systems and controls established, maintained and implemented by a service provider under that regulation must be documented and must—

(a) include customer acceptance policies and procedures;

(b) provide for transaction limits and management approvals to be established for high risk customers; and

(c) provide for the monitoring of compliance by branches and subsidiaries of the service both within and outside Montserrat.

(2) A service provider must establish, maintain and implement systems and controls and take other measures as it considers appropriate to guard against the use of technological developments in money laundering or terrorist financing.

(3) A service provider must establish and maintain an adequately resourced and independent audit function to test compliance, including by sample testing, with the policies, systems and controls established under the AML-CFT Regulations and this Code.

7. Outsourcing

(1) Subject to subparagraph (2), a service provider may outsource AML or CFT activities, including obligations imposed by the AML-CFT Regulations or this Code.

(2) A service provider must not outsource—

(a) its AML or CFT compliance functions;

(b) an activity, if outsourcing that activity would impair the ability of the Commission to monitor and supervise the

- service provider with respect to its AML or CFT obligations;
- (c) the setting-up and approval of its AML or CFT risk management and other strategies;
 - (d) oversight of its AML or CFT policies, systems and controls; or
 - (e) an activity if it is not satisfied that the person to whom the activity is to be outsourced will report the knowledge, suspicion, or reasonable grounds for the knowledge or suspicion of money laundering or terrorist financing activity to the service provider's Money Laundering Reporting Officer.
- (3) A service provider must—
- (a) consider the effect that an outsourcing arrangement may have on the money laundering and terrorist financing risks that it faces; and
 - (b) comply with a general outsourcing requirement as may be issued by the Commission with respect to a regulated person.
- (4) If a service provider outsources an AML or CFT activity, the service provider retains ultimate responsibility for the performance of that activity.

8. Money Laundering Reporting Officer

- (1) Subject to subparagraph (2), a Money Laundering Reporting Officer appointed by a service provider under regulation 17 of the AML-CFT Regulations must—
- (a) be an employee of the service provider or of a company in the same group as the service provider and must be based in Montserrat;
 - (b) have the appropriate skills and experience and otherwise be fit and proper to act as its Money Laundering Reporting Officer;

Montserrat

- (c)* possess sufficient independence to perform his role objectively;
 - (d)* have sufficient seniority in the organisational structure of the licensee to undertake his responsibilities effectively and, in particular, to enable the Money Laundering Reporting Officer to have direct access to the board with respect to AML or CFT matters; and
 - (e)* have sufficient resources, including time, to perform the function of Money Laundering Reporting Officer effectively.
- (2) A service provider may apply to the Commission for an exemption from sub-rule (1) *(a)*.

9. Money laundering compliance officer

- (1) Subject to sub-rule (2), the Money Laundering Compliance Officer appointed by a service provider under regulation 16 of the AML-CFT Regulations must—
- (a)* be an employee of the service provider or of a company in the same group as the service provider and must be based in Montserrat;
 - (b)* have the appropriate skills and experience and otherwise be fit and proper to act as the service provider's Money Laundering Compliance Officer;
 - (c)* be sufficiently independent to perform his role objectively;
 - (d)* have sufficient seniority in the organisational structure of the licensee to undertake his responsibilities effectively and, in particular, to ensure that his requests, if appropriate, are acted on by the service provider and its staff and his recommendations properly considered by the board;
 - (e)* report regularly, and directly, to the board and have regular contact with the board;

Montserrat

- (f)* have sufficient resources, including time, to perform the function of Money Laundering Compliance Officer effectively;
 - (g)* have unfettered access to a business line, support department and information necessary to perform the functions of Money Laundering Compliance Officer effectively.
- (2) A service provider may apply to the Commission for an exemption from sub-rule (1)(a).

PART 3—CUSTOMER DUE DILIGENCE

10. Scope and interpretation

- (1) This Part applies to customer due diligence measures that a service provider is required to apply under the AML-CFT Regulations.
- (2) For the purposes of this Part, a branch or subsidiary is a qualifying branch or subsidiary if it is part of—
 - (a)* a group of companies that has its head office in a country—
 - (i)* that is subject to legal requirements in its home country for the prevention of money laundering and terrorist financing that are consistent with the requirements of the FATF Recommendations; and
 - (ii)* is subject to effective supervision for compliance with the legal requirements by a foreign regulatory authority; or
 - (b)* a group headquartered in a well-regulated country which applies group standards to subsidiaries and branches worldwide, and tests the application of, and compliance with, such standards.

S.R.O. 20 of 2016

11. Customer due diligence measures to be applied by service provider

- (1) In addition to complying with the specific requirements of the AML-CFT Regulations and this Code, a service provider must apply a risk-sensitive approach to determining the extent and nature of the customer due diligence measures to be applied to a customer and to a third party or beneficial owner.
- (2) Without limiting sub-rule (1), a service provider must—
 - (a) obtain customer due diligence information on a customer, third party and beneficial owner comprising—
 - (i) identification information in accordance with rule 18, 20, 23 or 25; and
 - (ii) relationship information in accordance with rule 16;
 - (b) consider, on a risk-sensitive basis, whether further identification or relationship information is required;
 - (c) on the basis of the information obtained under sub-rules (a) and (b), prepare and record a risk assessment with respect to the customer;
 - (d) verify the identity of the customer and a third party and take reasonable measures, on a risk-sensitive basis, to verify the identity of each beneficial owner in accordance with paragraph 3(1)(e) of the Schedule 1 of the AML-CFT Regulations and the relevant rule of this Code; and
 - (e) periodically update the customer due diligence information that it holds and adjust the risk assessment that it has made accordingly.
- (3) In preparing a risk assessment with respect to a customer, a service provider must take account of relevant risks and must consider, in particular, the relevance of the following risks—
 - (a) customer risk;
 - (b) product risk;
 - (c) delivery risk; and

Montserrat
Anti-money Laundering and Terrorist Financing Code 2016
S.R.O. 20 of 2016

- (d)* country risk.
- (4) If a service provider is required by the AML-CFT Regulations or this Code to verify the identity of a person, the service provider must verify that person's identity using documents, data or information obtained from a reliable and independent source.
- (5) This rule does not limit the requirements of the AML-CFT Regulations.
- (6) For the purposes of this rule, "beneficial owner", with respect to a customer, means a beneficial owner of the customer or a third party.

12. Enhanced customer due diligence measures by service provider

Without limiting regulation 7 of the AML-CFT Regulations, a service provider shall apply enhanced customer due diligence measures in the following situations—

- (a)* private banking;
- (b)* a legal entity that is a personal asset holding vehicles;
- (c)* a company that has nominee shareholders or shares in bearer form;
- (d)* a business that is cash intensive;
- (e)* a foreign politically exposed person;
- (f)* a domestic politically exposed person who poses a high level of risk to the service provider;
- (g)* a business in respect of which the ownership structure appears unusual or excessively complex given the nature of the business;
- (h)* a country identified as not having adequate AML/CFT systems, by credible sources including mutual evaluation, detailed assessment reports or published follow-up reports;
- (i)* a country subject to a sanction, embargo or similar measure;

Montserrat

Anti-money Laundering and Terrorist Financing Code 2016

S.R.O. 20 of 2016

- (j) a country identified by credible sources as having a significant level of corruption or other criminal activity;
- (k) circumstances which give rise to suspicion of money laundering or terrorist financing; and
- (l) if a high risk is identified through a national risk assessment or an adequate analysis of risk by the service provider, if a national risk assessment does not exist.

13. Specific customer due diligence measures required for legal entities

In respect of its customers which are legal entities, a financial institution shall—

- (a) obtain information on the nature of the customer's business and its ownership and control structure;
- (b) identify the legal entity and verify its identity through the following information—
 - (i) the name, legal form and proof of existence of the legal arrangement;
 - (ii) the powers that regulate and bind the legal entity;
 - (iii) the name of each person who has a senior management position in the legal entity;
 - (iv) the address of the registered office and, if different, a principal place of business of the legal entity; and
- (c) identify and take reasonable measures to verify the identity of a beneficial owner through the following information—
 - (i) the identity of the individual who has a controlling ownership interest in a legal entity;
 - (ii) if there is doubt as to whether an individual with the controlling ownership interest is the beneficial owner or if an individual does not have a controlling ownership interest, the identity of the individual who

exercises control of the legal entity through other means; and

(iii) if an individual is not identified under subparagraph (a) or (b), the identity of the individual who holds the position of senior managing official.

14. Customer due diligence measures for beneficiaries of life insurance policies

- (1) A financial institution shall undertake the following customer due diligence measures on the beneficiary of a life insurance policy and any other investment related insurance policy—
 - (a) for a beneficiary that is identified as a specifically named person, by recording the name of that person;
 - (b) for a beneficiary that is designated by characteristics or by class or by other means, by obtaining sufficient information concerning the beneficiary to satisfy the financial institution that it will be able to establish the identity of the beneficiary at the time of the pay-out;
- (2) The verification of the identity of the beneficiary under subparagraph (a) and (b), must occur at the time of the payout.
- (3) A financial institution shall take into consideration the beneficiary of a life insurance policy as a relevant risk factor in determining whether an enhanced customer due diligence measure is applicable.
- (4) If a financial institution determines that a beneficiary who is an individual presents a high risk, the financial institution shall take enhanced measures, including reasonable measures to identify and verify the identity of the beneficial owner of the beneficiary, at the time of payout.

15. Timing of verification

- (1) For the purposes of paragraph 12, a financial institution—
 - (a) shall verify the identity of a customer and beneficial owner before or during the course of establishing a

Montserrat
Anti-money Laundering and Terrorist Financing Code 2016

- business relationship or conducting transactions for occasional customers; or
- (b) may complete verification after the establishment of the business relationship if—
- (i) completion of the verification occurs as soon as is reasonably practicable;
 - (ii) completion of the verification is necessary to prevent the interruption of the normal conduct of business; and
 - (iii) the money laundering and terrorist financing risks are effectively managed by the financial institution.
- (2) A financial institution shall adopt risk management procedures concerning the conditions under which a customer may utilise the business relationship before verification of the customer's identity.

16. Relationship information

- (1) For the purposes of paragraph 11, relationship information is information concerning the business relationship, or proposed business relationship, between the service provider and the customer.
- (2) The relationship information obtained by a service provider must include information concerning—
 - (a) the purpose and intended nature of the business relationship;
 - (b) the type, volume and value of the expected activity;
 - (c) the source of funds and, if the customer risk assessment indicates that the customer, business relationship or occasional transaction presents a high risk, the source of wealth of the customer, third party or beneficial owner;
 - (d) an existing relationship with the service provider;
 - (e) if the customer resides outside Montserrat, the reason for using a service provider based in Montserrat; and

Montserrat
Anti-money Laundering and Terrorist Financing Code 2016
S.R.O. 20 of 2016

- (f)* other information concerning the relationship that, on a risk-sensitive basis, the service provider considers appropriate.
- (3) If the customer, third party or beneficial owner is the trustee of a trust or a legal entity, a service provider must obtain the following relationship information—
 - (a)* the type of trust or legal entity;
 - (b)* the nature of the activities that the trust or legal entity carries out and the place the activities are carried out;
 - (c)* in the case of a trust—
 - (i)* if the trust is part of a more complex structure, details of that structure, including underlying companies or other legal entities;
 - (ii)* classes of beneficiaries or charitable objects;
 - (d)* in the case of a legal entity, its ownership and, if the legal entity is a company, details of a group that the company is part of including details of the ownership of the group;
 - (e)* whether the trust, the trustee or the legal entity is subject to supervision in or outside Montserrat and, if so, details of the relevant supervisory body.

17. Politically exposed persons

- (1) A service provider must establish, maintain and implement appropriate risk management systems to determine whether a customer, third party or beneficial owner is a politically exposed person and those risk management systems must take into account that a person may become a politically exposed person after the establishment of a business relationship with a service provider.
- (2) A service provider must ensure that no business relationship is established with a politically exposed person, or if the third party or beneficial owner is a politically exposed person, unless the prior approval of the board or senior management has been obtained.

Montserrat
Anti-money Laundering and Terrorist Financing Code 2016
S.R.O. 20 of 2016

- (3) If a service provider has established a business relationship with a customer and the customer, a third party or beneficial owner is subsequently identified as a politically exposed person, the business relationship may be continued only if the service provider obtains the approval of the board or senior management.
- (4) Subparagraph (3) applies whether the customer, third party or beneficial owner—
 - (a) was a politically exposed person at the time that the business relationship was established, but was only subsequently identified as a politically exposed person; or
 - (b) becomes a politically exposed person after the establishment of the business relationship.
- (5) A service provider must take reasonable measures to establish the source of wealth and the source of funds of a customer, third party and beneficial owner, who is identified as a politically exposed person.

18. Identification information- individuals

- (1) A service provider must obtain the following identification information with respect to an individual who it is required by the AML-CFT Regulations or this Code to identify—
 - (a) the individual's full legal name, any former names and any other names used by the individual;
 - (b) the individual's gender;
 - (c) principal residential address ; and
 - (d) date of birth of the individual.
- (2) If a service provider determines that an individual who it is required to identify presents a high level of risk, the service provider must obtain at least two of the following additional identification indicators with respect to the individual—
 - (a) the individual's place of birth;
 - (b) the individual's nationality; or

Montserrat
Anti-money Laundering and Terrorist Financing Code 2016
S.R.O. 20 of 2016

(c) an official government issued identity number.

19. Verification of identity- individuals

(1) If under the AML-CFT Regulations or this Code a service provider is required to verify the identity of an individual, the service provider must—

(a) verify the identity of the individual; and

(b) take reasonable measures to re-verify an individual's identity if it changes after the individual's identity has been verified.

(2) Without limiting subparagraph (1)(b), the following represent changes of an individual's identity within the meaning of that sub-rule—

(a) marriage;

(b) change of nationality; and

(c) change of address.

(3) If a service provider determines that an individual whose identity it is required to verify presents a low risk, the service provider must, using evidence from at least one independent source verify—

(a) the individual's full legal name, any former names and any other names used by the individual; and

(b) the individual's —

(i) principal residential address ; or

(ii) date of birth.

(4) If a service provider determines that an individual whose identity it is required to verify presents a high level of risk, the service provider must, using evidence from at least two independent sources, verify—

(a) the individual's full legal name, any former names and any other names used by the individual; and

(b) the individual's

- (i) principal residential address ;
 - (ii) date of birth;
 - (iii) place of birth;
 - (iv) nationality; and
 - (v) gender.
- (5) If a service provider determines that an individual whose identity it is required to verify presents a high level of risk, the service provider must, using evidence from at least two independent sources, verify the individual's—
- (a) nationality or address; and
 - (b) government issued identity number or other government identifier.
- (6) A document used to identify the identity of an individual must be in a language understood by those employees of the service provider who are responsible for verifying the individual's identity.

20. Identification information- legal entity other than a foundation

- (1) This rule and rules 21 and 22 apply to a legal entity other than a foundation.
- (2) If under the AML-CFT Regulations or this Code a service provider is required to identify a legal entity other than a foundation, the service provider shall obtain—
 - (a) the full name of the legal entity and if applicable, a trading name that it uses;
 - (b) the date of the incorporation, registration or formation of the legal entity;
 - (c) if applicable, an official Government issued identity number;
 - (d) the registered office or, if it does not have a registered office, the address of the head office of the legal entity;

- (e)* if applicable, the name and address of the registered agent of the legal entity ;
 - (f)* the mailing address of the legal entity;
 - (g)* the principal place of business of the legal entity;
 - (h)* the name of each director of the legal entity;
 - (i)* identification information on each director has the authority to give instructions to the service provider concerning the business relationship or occasional transaction with the service provider ; and
 - (j)* identification information on each individual who is the holder of twenty percent or more of the legal entity.
- (3) If a service provider determines that a legal entity that it is required to identify presents a high level of risk, the service provider must obtain additional identification information with respect to the legal entity as it considers appropriate.
- (4) If sub-rule (3) applies, but without limiting it, a service provider must obtain identification information on every director of the legal entity.
- (5) If identification information on an individual, as a director or beneficial owner, is required to be obtained, rule 18 of this Code applies.

21. Verification of identity - legal entity (other than foundation)

- (1) A service provider must—
- (a)* verify the identity of a legal entity if required to do so under the AML-CFT Regulations; and
 - (b)* take reasonable measures to verify the identity of the beneficial owners of the legal entity.
- (2) If a service provider determines that a legal entity, the identity of which it is required to verify, presents a low risk, the service provider must verify, using evidence from at least one independent source—
- (a)* the name of the legal entity;

Montserrat

S.R.O. 20 of 2016

- (b)* the official Government issued identity number; and
 - (c)* the date and country of its incorporation, registration or formation.
- (3) If a service provider determines that a legal entity, the identity of which it is required to verify, presents a high level of risk, the service provider must verify—
 - (a)* the address of the registered office, or head office, of the legal entity; and
 - (b)* the address of the principal place of business of the legal entity, if different from its registered office or head office.
- (4) If a service provider determines that a legal entity, the identity of which it is required to verify, presents a high level of risk, the service provider must verify other components of the legal entity's identification as it considers appropriate.
- (5) A document used by the service provider to verify the identity of a legal entity or its beneficial owners must be in a language that each employee of the service provider who is responsible for verifying their identity understands.

22. Verification of directors and beneficial owners

- (1) A service provider must verify the identity of a director of the legal entity specified in rule 20(2)(h).
- (2) If a service provider determines that the legal entity presents a high level of risk, it must verify such additional components of the identity of the legal entity as it considers appropriate.
- (3) If subparagraph (2) applies, but without limiting it, a service provider must verify the identity of each director and each beneficial owner of the legal entity.
- (4) If the identity of an individual, as director or beneficial owner, is required to be verified, rule 18 of this Code applies.

31. Intermediaries and introducers

- (1) Before a service provider relies on an intermediary or an introducer to apply customer due diligence measures in accordance with regulation 8 of the AML-CFT Regulations with respect to a customer, the service provider must—
 - (a) satisfy itself that the intermediary or introducer—
 - (i) is a regulated person or a foreign regulated person; and
 - (ii) has procedures in place to undertake customer diligence measures in accordance with the AML-CFT Regulations and this Code;
 - (b) assess the risk of relying on the intermediary or introducer in order to determine—
 - (i) whether it is appropriate to rely on the intermediary or introducer; and
 - (ii) if it considers it is appropriate to rely on the intermediary or introducer, whether it should take additional measures to manage that risk;
 - (c) if the service provider intends to rely on an introducer, obtain in writing from the introducer—
 - (i) confirmation that each introduced customer is an established customer of the introducer; and
 - (ii) sufficient information about each introduced customer to enable the service provider to assess the risk of money laundering and terrorist financing involving that customer; and
 - (d) if the service provider intends to rely on an intermediary, obtain in writing sufficient information about the customer for whom the intermediary is acting to enable the service provider to assess the risk of money laundering and terrorist financing involving that customer.
- (2) A service provider must—

- does not exceed \$2,500 and the device on which the electronic money is stored—
- (a) cannot be recharged, the maximum amount stored in the device is \$500; or
 - (b) can be recharged, a limit of \$7,500 is imposed on the total amount that can be transacted in a calendar year, unless an amount of \$2,500 or more is redeemed in that calendar year by the bearer of the device.
- (4) For the purposes of this paragraph, electronic money is money as represented by a claim on the issuer which—
- (a) is stored on an electronic device;
 - (b) is issued on receipt of funds of an amount not less in value than the monetary value issued; and
 - (c) is accepted as means of payment by persons other than the issuer.
- (5) A transfer of funds made by mobile telephone or another digital of information technology device is exempt from this Part if—
- (a) the transfer is pre-paid and does not exceed \$1,000; or
 - (b) the transfer is post-paid;
 - (c) the payee has an agreement with the payment service provider permitting payment for the provision of goods and services;
 - (d) a unique identifier, allowing the transaction to be traced back to the payer, accompanies the transfer of funds; and
 - (e) the payment service provider of the payee is a licensee.
- (6) A transfer of funds is exempt if—
- (a) the payer withdraws cash from the payer's own account;
 - (b) there is a debit transfer authorization between two parties permitting payments between them through accounts, provided that a unique identifier accompanies the transfer of funds to enable the transaction to be traced back;

- (c) it is made using a truncated cheque;
- (d) it is a transfer to the Government of Montserrat, or a public body in, Montserrat for taxes, duties, fines or charges ; or
- (e) both the payer and the payee are payment service providers acting on their own behalf.

52. Payment service provider of payer

- (1) Subject to paragraph 47, the payment service provider of a payer must ensure that each transfer of funds is accompanied by the full originator payer information.
- (2) Sub-rule (1) does not apply in the case of a batch file transfer from a single payer, if the payment service providers of the payees are situated outside Montserrat, if—
 - (a) the batch file contains the complete information on the payer; and
 - (b) the individual transfers bundled together in the batch file carry the account number of the payer or a unique identifier.
- (3) The payment service provider of the payer must, before transferring funds, verify the full originator information on the basis of documents, data or information obtained from a reliable and independent source.
- (4) In the case of a transfer from an account, the payment service provider may deem verification of the full originator information to have taken place if it has complied with the AML-CFT Regulations and this Code in relation to the verification of the identity of the payer in connection with the opening of that account.
- (5) In the case of a transfer of funds not made from an account, the full originator information on the payer shall be deemed to have been verified by a payment service provider of the payer if—

- (a) the transfer consists of a transaction of an amount not exceeding \$2,500.
 - (b) the transfer is not a transaction that is carried out in several operations that appear to be linked and that together comprise an amount exceeding \$2,500; and
 - (c) the payment service provider of the payer does not suspect that the payer is engaged in money laundering, terrorist financing or other financial crime.
- (6) The payment service provider of the payer must keep records of full originator information on the payer that accompanies the transfer of funds for a period of at least five years.
- (7) If the payment service provider of the payer and the payee are situated in Montserrat, a transfer of funds need only be accompanied by—
 - (a) the account number of the payee; or
 - (b) a unique identifier that allows the transaction to be traced back to the payer, if the payer does not have an account number.
- (8) If this paragraph applies, the payment service provider of the payer must, on request from the payment service provider of the payee, make available to the payment service provider of the payee the full originator information within three working days, excluding the day on which the request was made.
- (9) If a payment service provider of the payer fails to comply with a request to provide the full originator information within the period specified in sub-rule (8), the payment service provider of the payee may notify the Commission, which must require the payment service provider of the payer to comply with the request immediately.
- (10) Without prejudice to sub-rule (9), if a payment service provider of the payer fails to comply with a request, the payment service provider of the payee may—
 - (a) issue a warning to the payment service provider of the payer as may be considered necessary;

- (b) set a deadline to enable the payment service provider of the payer to provide the required full originator information;
- (c) reject a future transfer of funds from the payment service provider of the payer; or
- (d) restrict or terminate its business relationship with the payment service provider of the payer with respect to transfer of funds services or a mutual supply of services.

53. Payment service provider of payee

- (1) The payment service provider of the payee must verify that fields within the messaging or payment and settlement system used to effect the transfer in respect of the full originator information on the payer have been completed in accordance with the characters or inputs admissible within the conventions of that messaging or payment and settlement system.
- (2) The payment service provider of the payee must put in place effective procedures for the detection of missing or incomplete full originator information.
- (3) In the case of batch file transfers, the full originator information is required only in the batch file and not in the individual transfers bundled together in it.
- (4) If the payment service provider of the payee becomes aware that the full originator information on the payer is missing or incomplete when receiving transfers of funds, the payment service provider of the payee must—
 - (a) reject the transfer,
 - (b) request for the full originator information on the payer, or
 - (c) take the course of action as the Commission directs, after it has been notified of the deficiency discovered with respect to the full originator information of the payer, unless doing so would result in the contravention of the Act.

- (5) If information is missing or incomplete this must be a factor in the risk-based assessment of a payment service provider of the payee as to whether a transfer of funds or a related transaction is to be reported to the Reporting Authority as a suspicious transaction or activity with respect to money laundering or terrorist financing.
- (6) The payment service provider of the payee must keep records of information received on the payer for a period of at least five years.

54. Intermediary payment service provider

- (1) This paragraph applies if the payment service provider of the payer is situated outside Montserrat and the intermediary service provider is situated in Montserrat.
- (2) An intermediary payment service provider must ensure that the information it receives on the payer that accompanies a transfer of funds is kept with that transfer.
- (3) If this paragraph applies, an intermediary service provider may use a system with technical limitations to send a transfer to the payment service provider of the payee, which prevents the information on the payer from accompanying the transfer of funds.
- (4) If, in receiving a transfer of funds, the intermediary payment service provider becomes aware that information on the payer required under this Part is incomplete, the intermediary payment service provider may only use a payment system with technical limitations if the intermediary payment service provider (either through a payment or messaging system, or through another procedure that is accepted or agreed on between the intermediary payment service provider and the payment service provider of the payee) provides confirmation that the information is incomplete.
- (5) An intermediary payment service provider that uses a system with technical limitations must, if the payment service provider of the payee requests, within three working days after the day on which the intermediary payment service provider

receives the request, make available to the payment service provider of the payee the information on the payer that the intermediary payment service provider has received, whether or not the information is the full originator information.

- (6) An intermediary payment service provider that uses a system with technical limitations which prevents the information on the payer from accompanying the transfer of funds must keep records of the information on the payer that it has received for at least five years.

PART 10—MISCELLANEOUS

55. Disciplinary action

- (1) For the purposes of section 42 of the Financial Services Commission Act (Cap. 11.02), a financial institution that contravenes this Code commits a disciplinary violation and the maximum administrative penalty that the Commission may impose on the financial institution for the disciplinary violation is \$1,000 for each day the contravention occurs.
- (2) For the purposes of sections 164 and 165 of the Act—
- (a) a regulated person (that is not a financial institution) that contravenes any provision of this Code commits a disciplinary violation and the maximum administrative penalty that the Commission may impose on the regulated person for the disciplinary violation is \$1,000 for every day the contravention occurs; and
- (b) a non-financial service provider who contravenes a provision of this Code commits a disciplinary violation and the administrative penalty that may impose on the non-financial service provider for the disciplinary violation is \$500 for every day the contravention occurs.
