Functions of the Commission with regard to discipline

37. (1) The Commission or authorised officer, as the case may be, shall discharge its functions in regard to disciplinary proceedings against officers in the light of reports from Permanent Secretaries and Heads of Departments.

(2) Subject to paragraph (3), where the Commission or authorised officer is of the opinion that disciplinary proceedings should be instituted against an officer, the Commission or authorised officer may instruct that such proceedings be instituted.

(3) Where an offence against any law appears to have been committed by an officer, the Deputy Governor shall obtain the advice of the Director of Public Prosecutions as to whether there are grounds for criminal proceedings being instituted against the officer concerned, and if the Director of Public Prosecutions advises that there are grounds, criminal proceedings shall be instituted, and the Commission or authorised officer shall not commence disciplinary proceedings until the determination of the criminal proceedings so instituted and the time allowed for an appeal from such determination has expired. *(Amended by Act 10 of 2011)*

Regulations to govern disciplinary proceedings

38. (1) Any misconduct by an officer shall be dealt with under this Part of these Regulations as soon as possible after the time of its occurrence.

(2) Any case not covered by these Regulations shall be reported to the Commission who will refer it to the Deputy Governor for instructions as to how it is to

be dealt with; and the case shall be dealt with in accordance with such instructions.
(Amended by Act 10 of 2011)

Grounds for criminal proceedings

39. Where upon preliminary investigation or a disciplinary inquiry an offence against any law appears to have been committed by an officer, the Commission or authorised officer shall suspend disciplinary proceedings and report the matter to the Deputy Governor who shall consult the Director of Public Prosecutions as to whether there are grounds for criminal proceedings being instituted. (Amended by Act 10 of 2011)

Suspension

40. (1) Where there have been or are about to be instituted against an officer—

- (a) disciplinary proceedings; or
- (b) criminal proceedings,

and where the Commission or the authorised officer is of the opinion that the public interest requires that that officer should forthwith cease to perform the functions of his office, the Commission or the authorised officer may recommend his suspension from his duties.

(2) An officer so suspended shall, subject to regulation 44, be permitted to receive such proportion of the salary of his office as the Deputy Governor may decide after considering the recommendation of the Commission or the authorised officer. (Amended by Act 10 of 2011)

(3) If disciplinary proceedings against any such officer result in his exculpation, he shall be entitled to the full amount of the salary which he would have received if he had not been suspended from duty but if the proceedings result in any punishment other than dismissal the officer shall be allowed such salary as the Deputy Governor may decide after considering the recommendation of the Commission or the authorised officer. (Amended by Act 10 of 2011)

Copies of evidence of inquiry

41. An officer in respect of whom a disciplinary inquiry is to be held shall be entitled without charge to him to receive copies of or be allowed access to any documentary evidence relied on for the purpose of the inquiry. He shall so be given upon request a copy of the evidence (including copies of documents tendered in evidence) after the inquiry is closed.

Disciplinary action after acquittal of criminal charge

42. An officer acquitted in any Court of a criminal charge shall not be dismissed or otherwise punished in respect of any charge of which he has been acquitted, but nothing in this regulation shall prevent his being dismissed or otherwise punished in respect of any other charge arising out of his conduct in the matter, unless such other charge is substantially the same as that in respect of which he has been acquitted.

Officer convicted of a criminal offence

43. If an officer is convicted in any court of a criminal offence, the Commission or authorised officer may consider the relevant proceedings of that Court and if the Commission or authorised officer is of the opinion that the officer ought to be dismissed or subjected to some lesser punishment in respect of the offence of which he has been convicted, the Commission or authorised officer may thereupon recommend the dismissal or other punishment of the officer without the institution of any disciplinary proceedings under these Regulations.

Non-payment of emoluments on conviction of a criminal offence

44. An officer convicted of a criminal offence involving dishonesty, fraud or moral turpitude or convicted of a criminal offence and sentenced to imprisonment shall not receive any of his emoluments after the date of such conviction pending consideration of his case by the Commission or the authorised officer.

Disciplinary penalties

45. (1) The penalties which may be imposed on an officer against whom a disciplinary charge has been established are—

- (a) dismissal;

- (c) reduction in salary;
- (d) deferment or withholding of increment;
- (e) a fine not exceeding one month's salary;
- (f) severe reprimand;
- (g) reprimand.

(2) Where a fine is imposed the amount of such fine shall be deducted from the salary of the officer by such instalments as may be specified at the time the penalty is imposed.

Deferment and withholding of increments

46. (1) The grant of an increment will be prejudiced by—

- (a) lack of efficiency;
- (b) unsatisfactory service or conduct; or
- (c) failure to pass an examination the passing of which is made a condition for the grant of increment.

(2) Where a Permanent Secretary or Head of Department considers that for any of the reasons specified in paragraph (1)(a) or (b) an officer's increment ought not to be granted he shall—

- (a) notify the officer in writing at least one month before the date on which the increment is due of the reasons for which he considers that the increment ought not to be granted; and

- (b) report the matter to the Commission or the authorised officer through the Deputy Governor for a recommendation to the Deputy Governor as to whether the payment of the increment ought to be made on the date on which it becomes due.

(Amended by Act 10 of 2011)

(3) In making a recommendation for the deferment or withholding of an increment the Permanent Secretary or Head of Department shall take into account the gravity of the original misconduct or dereliction of duty, if any, and the nature of the officer's subsequent behaviour or his present degree of efficiency.

(4) An increment may be deferred for a period not exceeding twelve months and shall be payable from the date on which it is restored.

(5) Where an increment has been withheld the Deputy Governor on the recommendation of the Commission or the authorised officer may at any subsequent incremental date grant to the officer concerned a special increment in addition to his ordinary increment. *(Amended by Act 10 of 2011)*

Proceedings for misconduct not warranting dismissal of officers

47. (1) Where—

- (a) it is represented to the Commission that an officer has been guilty of misconduct; and
- (b) the Commission is of the opinion that the misconduct alleged is not so serious as to warrant proceedings with a view to dismissal;

the Commission may cause an inquiry to be made into the matter in such manner as it may think proper; and the officer shall be entitled to know the whole case made against him, and shall be given an adequate opportunity of making his defence.

(2) If, after inquiry, the Commission is of the opinion that the alleged misconduct is proved it may recommend to the Deputy Governor such punishment other than dismissal as may seem just. *(Amended by Act 10 of 2011)*

Proceedings for misconduct not warranting dismissal where powers of disciplinary control have been delegated to an authorised officer

- (a) it is represented to an authorised officer to whom power to exercise disciplinary control has been delegated that an officer holding an office in respect of which such powers have been delegated has been guilty of misconduct; and
- (b) the authorised officer is of the opinion that the misconduct alleged is not so serious as to warrant proceedings with a view to dismissal;

the authorised officer (or the Commission at the request of the Deputy Governor) may cause an inquiry to be made into the matter; and the officer whose conduct is under inquiry shall be entitled to know the whole case made against him and shall be given an adequate opportunity of making his defence.

(2) If, after inquiry, the authorised officer is of the opinion that the alleged misconduct is proved, he may recommend to the Deputy Governor such punishment other than dismissal as may seem just.

(Amended by Act 10 of 2011)

Proceedings for misconduct warranting dismissal of officers

49. (1) Except in a case of summary dismissal in accordance with regulation 30(2) or dismissal in accordance with regulation 43, an officer may be dismissed only in accordance with the procedure prescribed by this regulation or by regulation 50.

(2) Except where powers of recommending dismissal have been delegated to an authorised officer, the following procedure shall apply to an inquiry with a view to the dismissal of an officer—

- (a) the Commission (after consultation with the Director of Public Prosecutions if necessary) shall cause the officer to be notified in writing of the charge and called upon to state in writing before a specified day (which day shall allow a reasonable interval for the purpose) any grounds upon which he relies to exculpate himself;
(Amended by Act 10 of 2011)
- (b) if the officer does not furnish such a statement within the time so specified or if he fails to exculpate himself the Commission may either inquire into the charges or may recommend to the Deputy Governor the appointment of a Tribunal to inquire into the charges. A Tribunal so appointed shall consist of not less than three persons selected with due regard to the standing of the officer concerned, and to the nature of the charges made against him; *(Amended by Act 10 of 2011)*
- (c) the Commission or Tribunal shall inform the officer charged that on a day specified they will inquire into the charges and that he will be permitted to appear and defend himself;
- (d) if witnesses are examined by the Commission or Tribunal the officer shall be given an opportunity of being present and of putting questions to the witnesses on his own behalf, and no documentary evidence shall be used against him unless he has previously been supplied with a copy thereof or given access thereto;
- (e) the Commission or Tribunal may in its discretion permit the officer charged and the person or authority preferring the charges to be represented by a public officer or by a solicitor or counsel, and may at any time, subject to such adjournment as in the circumstances may be necessary, withdraw such permission;
- (f) if during the course of the inquiry further grounds of dismissal are disclosed, the Commission or Tribunal shall cause the officer to be furnished with a written charge in respect thereof and the same steps to be taken as those prescribed by this regulation in respect of the original charge;

- (g) if having heard the evidence in support of the charges the Tribunal is of the opinion that the evidence is insufficient it may report accordingly to the Commission without calling upon the officer for his defence;
- (h) the Tribunal, having completed its inquiry, shall forward to the Commission a report on its findings together with the record of the charges framed, the evidence led, the defence and all material documents relating to the inquiry. The report shall include—
 - (i) a statement whether in the opinion of the Tribunal the officer has or has not committed the offence or offences charged and a brief statement of the reason for their opinion;
 - (ii) details of any matters which in the opinion of the Tribunal aggravate or mitigate the gravity of the case;
 - (iii) a summing up and such comments as will indicate clearly the opinion of the Tribunal on the matter under inquiry;
- (i) a Tribunal shall not make any recommendation regarding any punishment to be imposed;
- (j) the Commission after consideration of the report of a Tribunal may if it is of the opinion that the report should be amplified in any respect or that further inquiry is desirable, refer any matter back to a Tribunal for further inquiry or report accordingly;
- (k) the Commission, after concluding its own inquiry or after consideration of the report of a Tribunal (or of any further report called for under subparagraph (j)), shall make recommendation to the Deputy Governor as to the punishment, if any, which should be imposed upon the officer; (*Amended by Act 10 of 2011*)
- (l) if the Commission is of the opinion that the proceedings disclose other grounds for removing the officer from the service in the public interest it may recommend to the Deputy Governor that an order be made accordingly. (*Amended by Act 10 of 2011*)

(3) Where an officer charged under this regulation admits in writing the facts giving rise to the charges, it shall not be necessary to hold an inquiry or investigation under this regulation unless in the opinion of the Commission such inquiry or investigation is likely to find such circumstances as may modify the view taken of and the punishment to be imposed for the offence.

Proceedings for dismissal of officers where powers of dismissal have been delegated to an authorised officer

50. The following procedure shall apply to an inquiry with a view to dismissal of an officer holding an office in respect of which the powers of the Commission have been delegated to an authorised officer—

- (a) the authorised officer shall cause an inquiry to be made in such manner as he may think proper, provided that, the officer against whom the proceedings are instituted shall be informed in writing of

the charge against him and shall be called upon to state in writing within seven days of the delivery to him of the written charge any grounds upon which he relies to exculpate himself, and provided that, the officer shall be entitled to know the whole case made against him and shall have an adequate opportunity throughout of making his defence;

- (b) the authorised officer shall consider the charge, the written reply if any, the evidence in support of the charge and any evidence, tendered by the officer in his defence;
- (c) if the authorised officer finds that the charge has not been established he shall so inform the Deputy Governor; *(Amended by Act 10 of 2011)*
